STAFF 74

Our 1974 Nokomis started forming when I was named Editor by Mrs. "G" Sandy Kustnaot (my aso editor) and I went to the Drake Workshop, when from morning until night we talked shop - namely "yearbook." We came home bundling with ideas to make this book the best yet!

The start of the school year made the staff get down to business. Pages 1 through 144 shows our hard work and our interpretation of our last year at NHS.

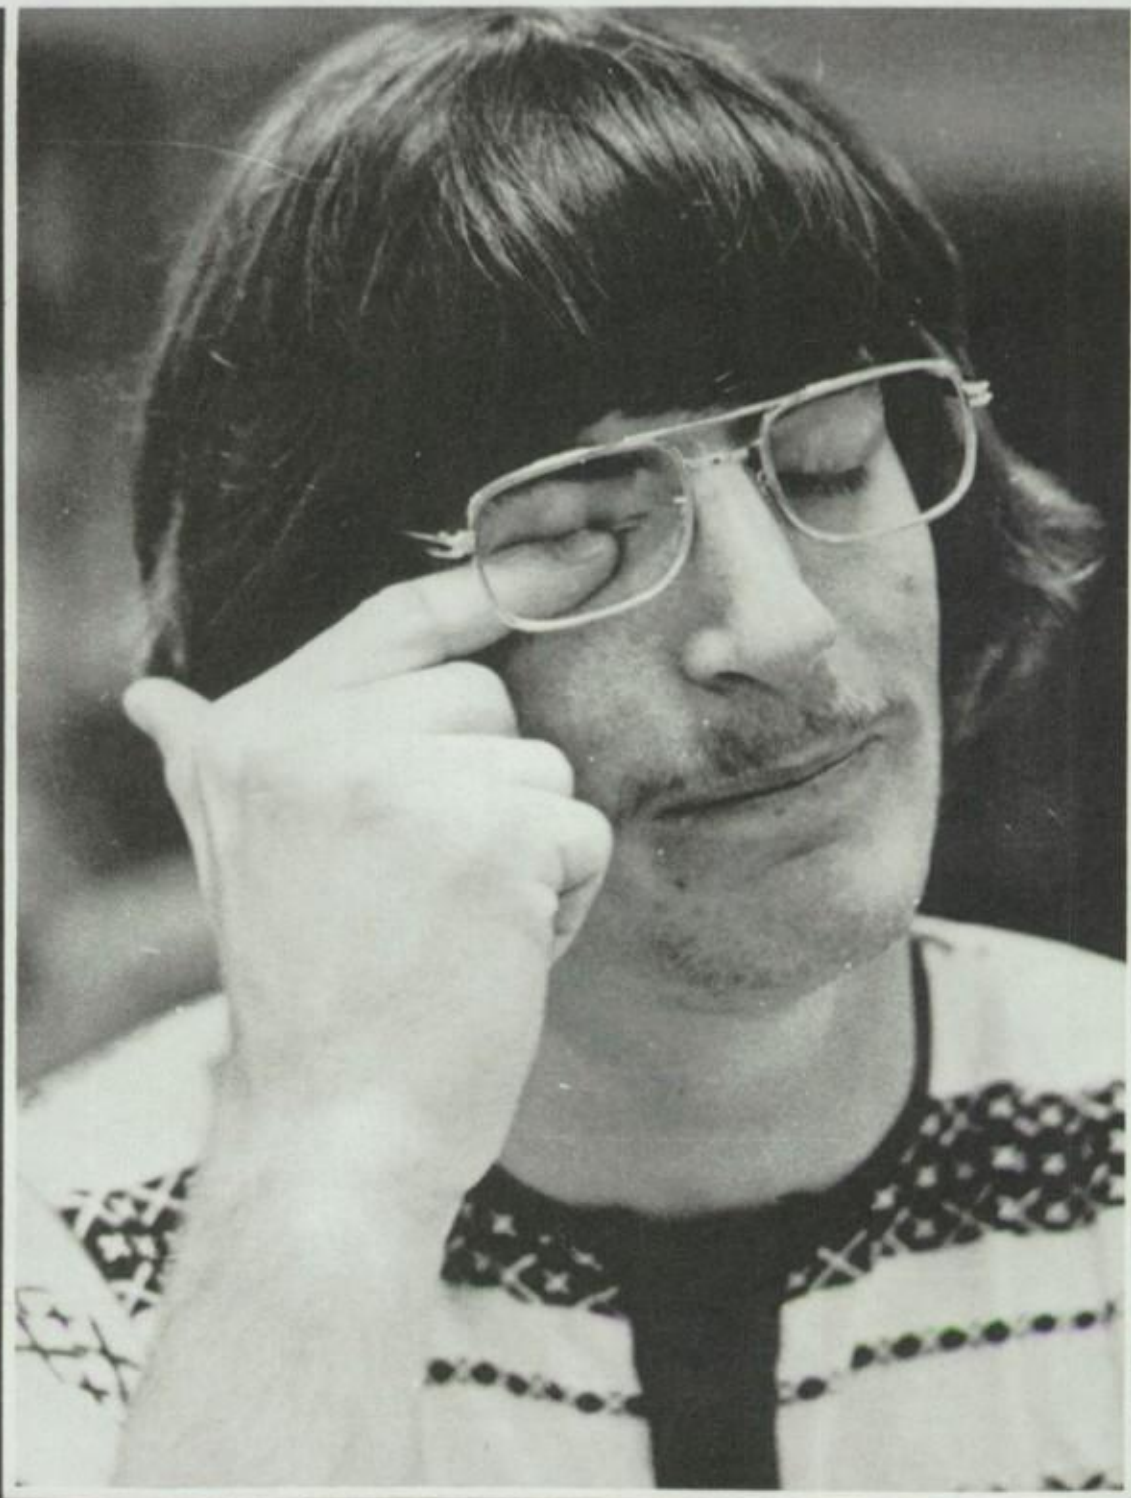

Supporting us with their "words of wisdom" (copy), and their "words of wonder" (layouts and pictures) were the staff members, Deanna

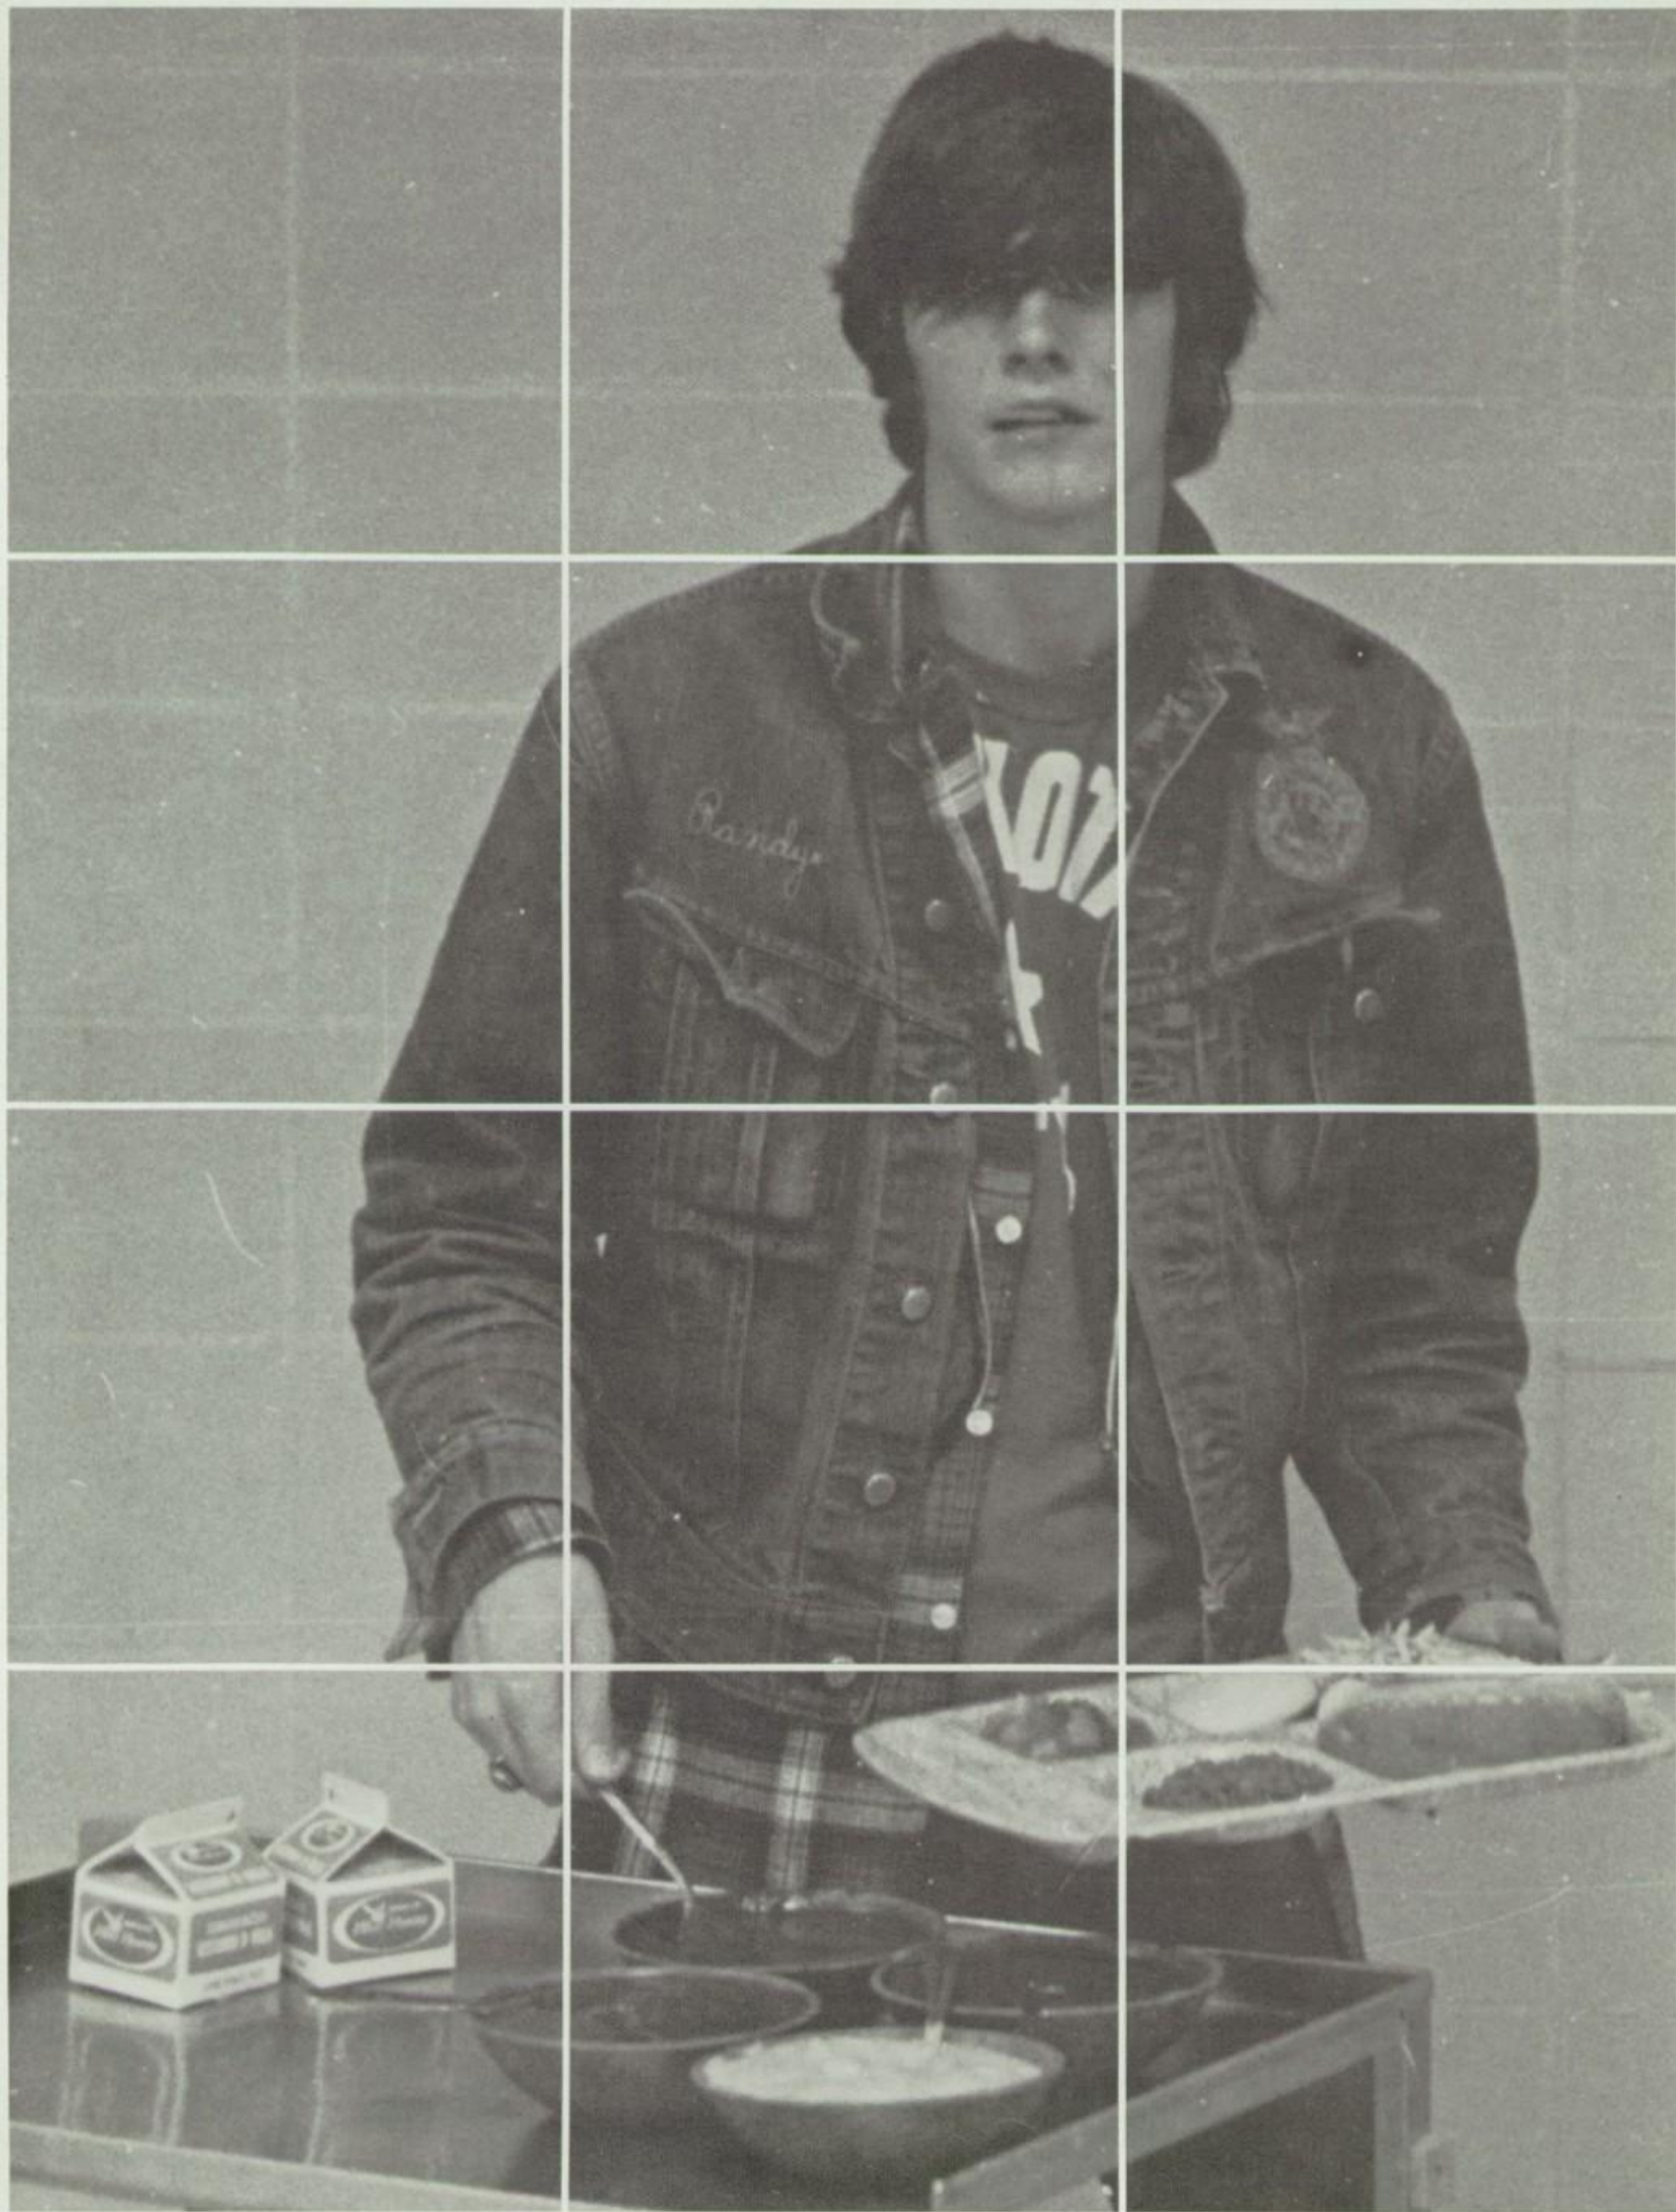

Humphrey, Mary Davis, Kathy Curran, Faith Brennan, Michelle Harrington, Randy Regaluk, Miff Hamilton, Dan Dodgen, and Tom Jorgensen. Last but not least, our advisor Carol Jensen. Our goal throughout the book has been to project school life and those who make it happen.

Thank you to all those who have supported and purchased our last big effort, the 1974 NOKOMIS!

The Editor,
Brenda Emick

The boy's baseball team completed a highly successful season with a record of nine wins and five losses. The team captured second place in NCC play and proudly went on to defeat Fort Dodge High in the District tournaments before losing a heartbreaker to St. Edmonds.

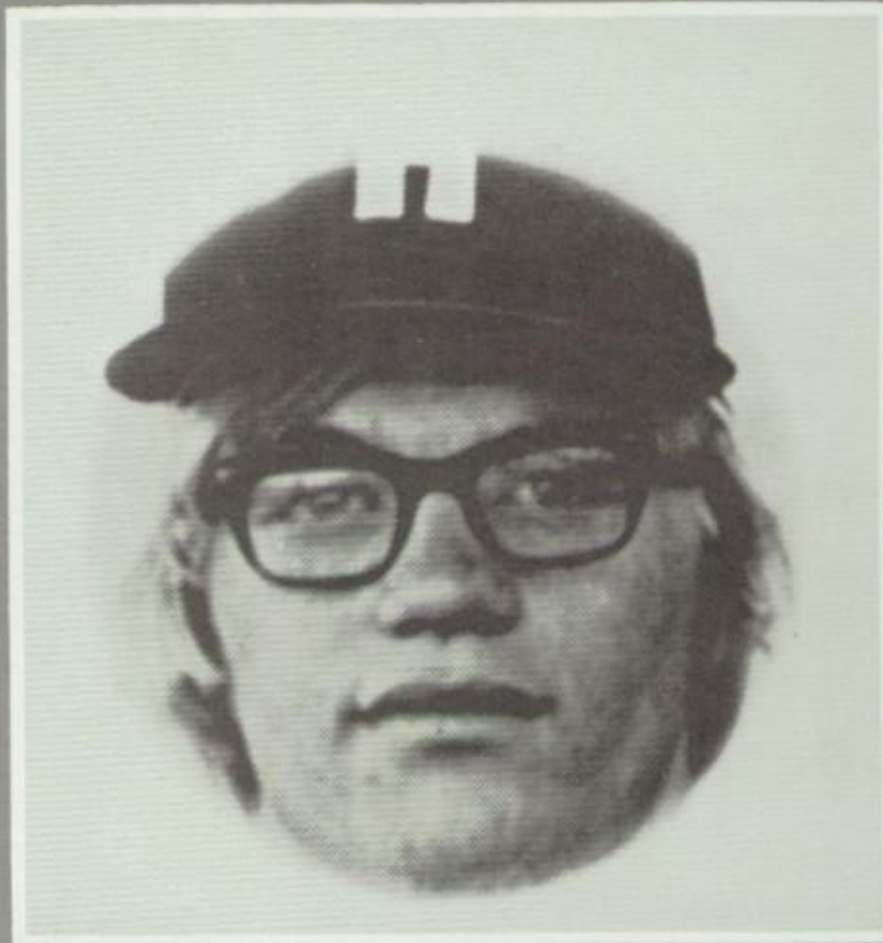

Kevin Brownfield led the team in batting with a .345 average while Tim Mokolstad and Jerry Davis averaged .322 and .311 respectively. Pitching duties were shared by Kevin Brownfield and Frank Binger, Kevin finished with six wins and three losses; Frank went four and four.

Kevin Brownfield had an outstanding summer and became the first player to receive All-Central District honors. Infielder Kevin Brownfield, catcher Terry Ruby, and outfielder Tim Mokolstad received All-North Iowa Conference honors; Joe Brownfield was named to the second team.

Summer softball, a desperate season, awarded Carol Duffy as most improved, Angie Patterson and Nancy Wellen shared titles of most valuable players, and Angie was also named honorary team captain.

The highlight games were against Twin Rivers and Pocahontas. After nine innings, Brenda Emick slid in a close 16-15 victory against TR. Although the girls lost to Poky 7-6, Wickett said it was the best offensive and defensive effort of the season.

Soggy season for Catettes

The fall team made a comeback, pulling through the season with a 5-3 record.

Susan Kirchhof led in batting with a strong .600, followed by Anne Barnes and Brenda Emick with .469 and .409 averages.

The weather plagued the team, especially in tournament play. The TR game proved to be the most outstanding game when it was stopped by rain in the seventh inning with the score tied 7-7.

Coach Wickett summed up the year when he said there were, "no time for tomorrows!"

Connie Lenz oe state secretary

Distributive and Office Education were work-oriented programs with club activities. Under the direction of Dick Furst, the DECA club sold candy to earn expense money for state convention. Likewise, OE sold '74 T-shirts.

Elaine Ramaekers was awarded honorable mention in the shorthand contest at state convention. Connie Lenz was the first girl to be elected to a state office. DECA officers were Sharon Haugland, president; Teri Conlon, vice president; Lori Andersen, secretary; and Paula Pedersen, treasurer. OE officers were Cheryl Bothne, president, Paula Meyer, vice president; Cindy Lenz, secretary, and Elaine Ramaekers, treasurer.

In the spring both clubs held either an Employer-Employee breakfast or dinner in appreciation of their employers.

After a year of observation and experimentation on various topics such as: displacement, volume, radio activity, wave lengths, frequencies, kinetic and potential energy, elements, compounds, ph factors, atoms, protons, neutrons, electrons, ions, bases, dissection, reproduction, microscopic organisms, photosynthesis, DNA, the human anatomy, and quantitative and qualitative thinking, we have come to the conclusion that HHS will never produce a Lavoisier, Count Rumford, Mendel, Boyle, Democritus, Newton, or Aristotle.

1 school year + (a 555 pg. textbook + 97 boring lectures) ÷ (999 postulates + 630 theorums) x hard work x (intelligence + an analytical mind) ÷ sweat (a sharp pencil + a test) - a grading scale= success!

Graphic arts class tours Felco

Dear Students:

The business department, under the direction of Mr. Richard Furst, Mr. Douglas Lundberg, Miss Darlene Hotz, and Mrs. Carol Jensen, offered the students a wide selection of elective business courses.

For example, a student could begin his business venture by taking Typing and Introduction to Business. He could expand his skills by continuing with Typing II and III, in addition to Shorthand I. Or he could widen his background of business principles by taking Business Law, Bookkeeping, or Office Practice.

If the student felt that he wanted to prepare himself for a career in a certain business field, he could take advanced courses in Salesmanship, Shorthand II, and Graphic Arts. To gain practical work experience, the student could choose a work program of Office Education, Distributive Education, or the Office Simulation course.

By taking these business courses, the student should be better prepared to seek employment in the world of work. For more information, contact the business instructors mentioned above.

Sincerely yours,
HHS Business Department

After long strenuous conditioning, the cross country team had a slow season. This was caused by a combination of rainy weather and serious injuries sustained to Angie Patterson and Barb Perin.

The Humboldt Invitational was held in drizzling rain, with Emmetsberg placing first, Clay Central second, Forest City third, and HHS fourth. In Junior Varsity competition, Emmetsberg again took first, and Humboldt finished strongly in second place.

Besides the competing team, there were girls in a basketball conditioning program.

The Humboldt Wildcat Football team compiled a winning record of 6-3 overall and 4-3 in conference play, taking fourth place. Although competition was tough, the Wildcat defense was strong and took first place in the North Central Conference.

Unanimously chosen for the NCC 1973 All-Conference Team, Dan Grause led three teammates on the honor roster. They were: senior back Jim Greene, senior guard Randy Moench, and junior guard Rick Post. Receiving honorable mentions were: senior back Gene Crist, sophomore end Don Davis, and sophomore guard Jim Dreyer.

Jim Greene led in rushing yardage with 595 yards in 141 attempts. Gene Crist, second in rushing, led the 'Cat scoring with 9 touchdowns and 54 points. From his quarterback position, Dean Crist led the passing attack with 454 yards. On the receiving end of 20 of these passes for 327 yards was Don Davis. Rick Post and Randy Moench led the Wildcat defense with 145 and 121 respectively.

Team members elected Randy Moench and Gene Crist as co-captains. Dan Grause was named most valuable lineman, and Jim Greene most valuable back.

Tradition upheld lose game

Homecoming 1973 began on Tuesday with the display of hats, signs, and socks in the halls and classrooms of HHS. Dress Clothes were donned on Wednesday, and the 50's were relived on Thursday, Greaser Day. Varsity football players took it easy on Friday, Blue and Gold and Slave Day.

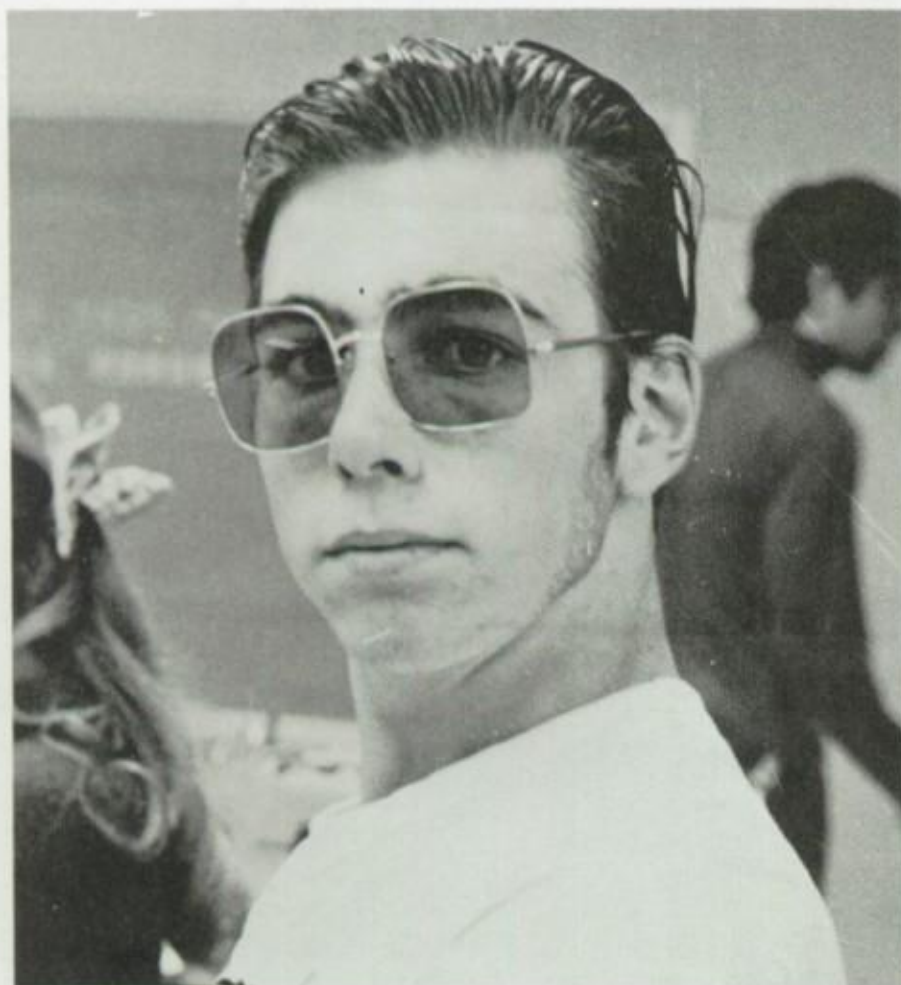

Thursday night coronation activities were opened with the introduction of twelve alumni queens. Emcee Dan Dodgen then introduced the five queen candidates. The cheerleaders entertained the crowd with a routine to "25 or 6 to 4." Tom Jorgensen was presented with an award for the best-looking legs on the football squad, and a homecoming version of the "Dating Game," complete with a commercial, was performed before the crowd.

Tension mounted as Dan Dodgen tediously named the queen's court: Mary Davis, Cindy Pride, Karen Mickey, and Gloria Pedersen. With the official kiss from Randy Moench, Sheree Ebeling began her reign as queen.

Humboldt fought hard Friday night, but was held to a 35-13 defeat by Iowa Falls. The traditional homecoming dance was held after the game, with music provided by Fair Weather.

Although Homecoming Week activities were met with much enthusiasm this year, many football squad members expressed a pessimistic view of the dress rituals and homecoming days and feel they can be dropped. Coach McElrath agrees. "They can do away with all that JUNK."

"Once we got it we got it, but we ain't got it yet."

"At this point I can't express my thoughts."

"I still think we need more expression."

The musical, "The Pajama Game," was presented in the Jr. High Auditorium on Nov. 6, 7, 9, and 10, 1973. Directors were Harv LaBounty, Mike Hall, and Gary Currie. My name is Mike Locke, and I played a part in this musical and observed firsthand the experience and emotions that are the makings of a successful production. Although in my mind the play was a success, others around my did not fully share my optimism. The opening night of "The Pajama Game" left the actors to face a more than half empty auditorium, and the second night wasn't much better. Even though the third and fourth nights housed a much larger and more responsive audience, the impact of the first two nights was still in the air.

I found performing in the play most enjoyable, as did those around me. It was a true experience for me to have a major part in the play. Last year we said no play could be as fun to prepare and perform as "Fiddler on the Roof," but we were wrong, in my mind anyway. We learned that it's not the play's name which determines its greatness, but the people who are in it. I hope that in the years to come, more people will participate in the all-school musicals, and they will receive more all-around support from the community. People just don't realize how good these productions are, or there would be packed houses every night. The cast and crew work very hard to make these productions a success, but still, praise needs to be given to the very special directors who make these shows a reality. The cast director, Harv LaBounty, ages three years every year to make these plays possible and is a truly great director. Mike Hall is in charge of the vocal part of the musical, which is very taxing and demanding on his part, while Gary Currie is in charge of the orchestra, a vital part of the production. These men deserve special thanks and cannot be praised enough. "The Pajama Game" is the game I'm in, and I'm proud to have been in "The Pajama Game." I LOVED IT !!!

HHS welcomes three friendly senioritos

"¿Adónde was ahora?" was heard very frequently in the halls of HHS this year. Three Spanish-speaking foreign exchange students added much to the student body.

Lupana Montoya was the first to encounter Humboldt. She came from Celeya, Mexico, to live with the James Bowden family. One of the biggest adjustments for her to make was American food and meals. Meal times were much different from those of her home, and she said that not having spicy food for six months really helped clean out her stomach.

Lupana's goal is to be a bilingual secretary, which helped her make the decision to come to America. Her classes at HHS included Office Sim., Office Practice, Office Machines, Home Ec, Literature, History, Graphic Arts, and Phys. Ed.

Although she says it really feels good to be home, her traveling days

are not over. She wants to take French lessons and some day go to France.

Margarita Restrepo came to live with the Bob Mickey family in mid-December. Her home is in Hedellin, Columbia, which has a population of almost two million. She says that living in Humboldt is like living in a camp, but she did admit that she likes little town life as opposed to the city.

She made many comparisons of her school and ours. Colombian classes start at 7:30 and end at 4:00. The students stay in one room, and the teachers move around for different classes. She liked HHS because it was easier than her school.

Margarita really enjoyed her stay in the U.S. She liked tobogganing, skiing, snowmobiling, and anything that had to do with snow. Her only complaint is that she put on extra

weight.

Roberta Medeiros came from Recife, Brazil, to make a new home with the Richard Mather family. One of the first problems that she encountered was the English language. She had studied English for six years in Brazil, but she said that the grammar she studied was much different from conversational English. Some of the first words that she learned while here were "Humboldt High School graffiti."

Roberta stated that schools in Brazil are much harder than America's. There is no Brazilian law that makes school mandatory, but practically everybody attends because they know they must have an education. Roberta laughed when she said that we look like little kids in school because we are always being told what to do.

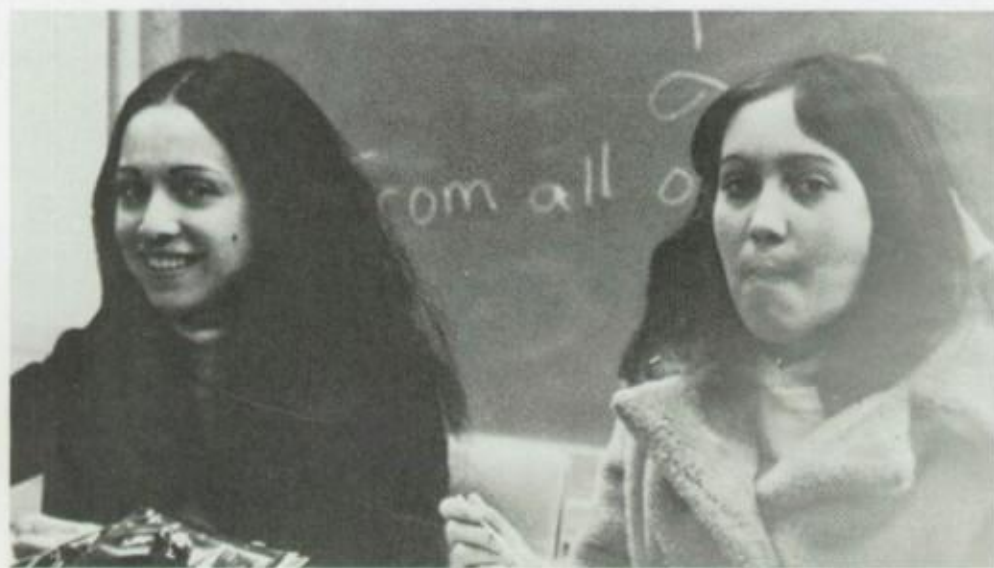

Roberta noticed a difference in American people. She said that there is more contact between people in her country than there is here. She thought that maybe the cold weather, which she didn't like, influenced us differently.

The beach was one of the things she missed about her home, along with her social life, which was much different here. Her weekends are full of life in Brazil. There are social clubs to go to that provide dances, movies, and all-night parties every weekend. She said that much more is done with the family in Brazil, and that they are much closer as a unit than we are.

Lupana summed up the experiences of all three girls when she wrote and said, "About the things that really stick out in my mind, I think was mainly the people, they treated me so good, the way they cared about me, the way they loved me, the way they worried about me. And the one thing that it is really important I learned to be me, I lost my shyness, my fear of knowing unknown people, my fear of loneliness, and I am so proud I got rid of all these fears that were trying my soul, I want to be a happy girl, optimistic, a little liberated if you want to, but I think this is the only way to help people change the world to a better world in peace and God."

Margarita, Roberta, and Lupana smile for the camera.

Lupana and Roberta have a mouthful to say about America.

The Library of HHS was always full of interesting facts, fictions, and fantasies. Shelves were packed with books to meet each and every need. A quiet atmosphere gave one the time and chance to study or dream. Colorful posters on the walls put students in the mood to think or to study peacefully.

The library also became a "media center." Cassettes, audio visual equipment, and phonographs were added this year for the students use. Each month the Student Senate donated a new album. These records were available to students during studyhalls or could be checked out overnight.

A new club, the Projectionist Club, was organized to train members how to run equipment for teachers, it is to be put in operation in the fall.

Each student librarian who worked eighty-five hours or more received an award of a pin, a charm, or a book. Cindy Husske and Dave Mitchell were the two head librarians during the busy year.

Drama classes this year had new lights and curtains which added a more professional atmosphere to their presentations in the little auditorium. "Spoon River" was their first production of the year. The cast's many hours of hard work paid off when they performed before a full house both nights. "Our Town," Thornton Wilder's unusual hit was the performers second success with a double cast for the two leading characters. "A Night of One of Act Plays," their final presentation, consisted of "Tea and Sympathy," "The Children's Hour," "Bloody Sabbath," and Kurt Stoebe's scholarship winning "The Trial of Captain Vere." All of these plays received I's and II's at the District and State Speech Contests.

Cats reach sub-state!

A smooth Wildcat Basketball team provided the Humboldt fans with many excellent games and finished with an 11-9 record. Pre-season predictions labeled this as a rebuilding year, but the Cats quickly shelved those predictions and became challengers to even the top teams of the NCC. The senior leadership of Dan Beebe, Joe Brownfield, and Gene Crist was evident throughout the season.

Winning the District Tournament at Ft. Dodge, the Wildcats defeated St. Edmond's 75-49 and then beat Eagle Grove 85-79 in overtime to take the championship. In the first round of Sub-state, the Cats lost to Boone 63-60. Coach John Westphal believes that "the tournament effort of this team will long be remembered by Wildcat fans."

Co-captains Joe Brownfield and Gene Crist were both honored with North Central Conference selections, being named to the first and second teams respectively. Brownfield also made the 300 Point Club with a total of 361 points. Dan Beebe, the squad's leading rebounder, and Tom Newell received North Central Conference Honorable Mention awards. Newell was also named the most improved player, while Brownfield was voted the most valuable player by the team.

Terry Brownfield was named to the Prep All-American Basketball Yearbook. This is a yearly honor roll of excellent basketball players from high schools, and is designed to promote local sports. It is also used by college coaches and scouts for recruiting new talent.

Cats travel to an 8-6 jv record

"This is probably the most potential sophomore team we've had in the last five years," Coach Robert Pattee stated about this year's JV basketball team. The sophomores finished their basketball season at 11-7 over-all and 8-6 in NCC play. Scott Elgren paced the JV with 206 points in 18 games for an 11.4 average. Gary Westphal was next in the scoring line with 192 points, a 16-point average. Don David picked up 128 rebounds in 11 games. Second high rebounder was Kevin Kuhlman with 124.

Hhs takes second in sectionals

The Varsity Wrestling squad finished the 73-74 season with a dual record of 7-4 overall and 4-3 in North Central Conference grappling action. Opening their season with an easy 45-9 victory over Estherville, the Cats looked forward to a strong season in tough NCC competition. Fort Dodge proved to be the most frustrating meet of the year when Humboldt was defeated 24-21.

Six Wildcat grapplers advanced to the District Tournament after taking second in the Sectionals.

Kirk Hanson, Dan Grause, Jack Dreyer, and Mike Colwell were champions, while Rick Post and Jim Dreyer were runners up. Mike Colwell was Humboldt's only representative advancing to the state meet.

At the end of the season Dan Grause led with most pins, Mike Colwell with most takedowns and escapes, Kirk Hanson with pin points, and Jim Dreyer led in reversals.

Mike Colwell was HHS's sole wrestler to advance to state competition.

Bouncing off to an admirable start, Coach Wickett's Catettes plunged into their first interscholastic season. Their 8-3 season began with the defeat of Ft. Dodge by a score of 69-46.

Nancy Wellen was leading scorer with an average of 30.5 points per game. Angie Patterson, Kelly Spence, and Denise Vitzthum rounded out the scoring tally. An alternating starting guard line-up consisted of Lori Reimers, Nancy Amlie, Lona Hanson, Deb Duffy, and Dorothy Marchant.

Fierce fourth quarter action in the game at Boone Valley ended in the Catettes's first crushing defeat. Revenge was the name of the game when they met on the home court!! Great potential was shown towards a winning varsity season next year.

Kurt received the Anna Altman Award.

John was honored with the Helen Rank award.

Under the leadership of Paula Meyer, team captain and lone senior, the girl's track team got off to a running start.

Highlighting the season was the Clarion Relays, where the Catettes pulled in third place, even though several key runners were absent. Victoriously winning their first District track meet, HHS sent 15 girl's to the State meet.

On awards night, Angie Patterson was named the 1975 team captain, Nancy Wellen received the Coaches (horse) award, Ann Daggy was the most improved, and Melody Olson was named most valuable. The Catettes should prove to be strong again next season as 24 lettermen return. Next year, there will be a personnel change as Coach Pattee will be head coach with Wickett as his assistant.

Peek-a-boo!

1974's track season was a "good news, bad news" season with mostly bad news. Injuries and illness caused most of the bad news with Joe Brownfield and Dan Beebe out of the entire season and Tony Nielsen out the majority of it.

"The remaining seniors brought good news as they came through in class fashion." Hurdler Jon Spence finished fourth in the state meet and compiled the greatest number of points on the HHS squad. Pole vaulter Dick Jensen was consistent all season as he hit 12'6" several times.

Jim Greene and Mike Stensland were voted co-captains, Mike Borland was honored as most improved, and Mike Stensland was named most valuable squad member.

Under the leadership of Guy Carter, the HHS Bowl Team came from behind to win their first match over Estherville, only to lose the next to St. Edmonds.

Lance Olson, team captain, Kurt Stoebe, Jon Bogaard, and Linda Northrup were chosen from

among 20 applicants at the beginning of the year. Practices were held each Tuesday morning to keep the group in shape for their next match. Prizes were awarded at the end of the year to each member of the team for their intellectual efforts.

New National Honor Society members were: Randy Moench, Pam Collins, Gene Crist, Anne Larson, Lorene Duin, Dan Monaghan, Bev Pride, Kris Mather, Susie Lerdal, Myrna Ramaekers, Marlene Nissen, Barb Heider, Joyce Fortner, Mike Patton, Karen Gosch, Dean Crist, Barb Perin, Jon Bogaard, and Dave Terwilliger.

Customarily they were chosen by their character, scholarship, leadership, and service throughout their high school career. A brunch was served in the library for proud parents, faculty, and the honorees.

'Spacemen' scared by earthmen

HUMBOLDT—With all of the recent publicity concerning UFO's, strange little men and weird lights in the skies, some aspiring young Humboldt teenagers decided to give the story a little more realism for Humboldt County residents.

During the past week, several youths adorned themselves in tin foil, complete with wire antennae, and positioned themselves in ditches along a county roadside. Upon the approach of vehicles, the youths rose up out of the ditches with the distinct cry, "Beep-beep."

If startling motorists were not enough, the youths also pulled their prank on a group of people holding a party near the Des Moines River. Startled by the strange looking party crashers, the group began chasing the self-made space creatures through the woods.

Fortunately, for the tin foil creatures the police came to their rescue. Needless to say, UFO's and reports of strange creatures in Humboldt County won't have quite the same impact now.
